2014 Indiana Injury Prevention Conference

The 18th annual Indiana Injury Prevention Conference took place on April 7 - 8, 2014 at the Sheraton Indianapolis City Centre hotel. The conference was attended by over 150 individuals with

an interest in child safety. Attendees were offered the opportunity to network and attend educational sessions, while earning up to 8 CEUs.

Planning for the 2015 conference will be underway soon. When the location and dates are finalized, an email will be sent to everyone on the technician roster. Stay tuned for more details!

Summer Safety Tips

Did you know?

- ⇒ Sparklers can heat up to 1,200 degrees! Consider glow sticks instead for young children.
- ⇒ Bicycle helmets can reduce the risk of severe brain injuries by 88%! ALL riders should wear a helmet.
- ⇒ The body of a young child heats up 3 to 5 times faster than that of an adult! NEVER leave your child alone in a vehicle.
